Conflict-Free STATEMENT

GeminiBio complies with the "Conflict Minerals Rule" (Dodd-Frank Act) in that conflict minerals (i.e.: Titanium, tin, tungsten and gold) are not components of any product that GeminiBio manufactures. GeminiBio does not produce, distribute, or utilize any of the conflict materials. As part of our supplier qualification program, GeminiBio performs the appropriate due diligence in order to be compliant and approves these suppliers prior to use. GeminiBio relies on the accuracy of information provided by the vendors/suppliers in the final assessment for approval.
